## Purity

June 29, 2020

Dear Parent:

**We are looking forward to our 18th Purity Dinner.** This event is hosted by “Pebbles to Living Stones Ministry” and the families of the sixth graders. The purpose of this dinner is to give our children an opportunity to make a commitment before God by giving themselves to him to keep them from falling in the areas of sexual impurity, the use of alcohol, and drugs and the importance of living their best life. We will meet on Sunday right after Children’s church at 1:00 pm. We will use the same Zoom invite as children church, and those participating will stay on the line. If we finish Children’s Church early, we will take a break until 1:00 pm to ensure everyone is on with us. We will use the Family life material. So, you will need to download the lessons for your students to participate.

**Parent Responsibility** to give the ring size of their student or purchased ring if missed deadline. Please treat the event as a sacred and important milestone in your child’s life. Parents, please dress your sons and daughters in all white, as well as be prepared to give a response to your child’s vow. Parents, please wear Black or Black and White. Both parents should stand with the child as they give their vows, and both or one parent can respond to the student’s vow. One parent will place the ring on the student’s finger. Each Family will be able to share the Zoom invitation to other family members to watch the ceremony. I will let you know how many Zoom invites to give out as we only have 500 open spaces to the Zoom event.
